B. B. B.
Burdock Blood Bitters
Is a purely vegetable compound, possessing perfect regulating powers over all the organs of the system, and controlling their secretions. It so purifies the blood that it

SKIN DISEASES
From one to two bottles will cure boils, pimples, blotches, nettle rash, scurf, tetter, and all the simple forms of skin disease. From two to four bottles will cure salt rheum, eczema, shingles, erysipelas, ulcers, abscesses, running sores and all skin eruptions. It is especially efficacious in curing skin diseases of the face.

SCROFULA
We have undoubted proof that from three to six bottles used internally and by outward application (dissolved if the skin is broken) will effect a cure. The great mission of B. B. B. is to regulate the liver, kidneys, bowels and blood, to correct acidity and wrong action of the stomach, and to open the sinuous ways of the system to carry off all clogged and impure secretions, allowing nature thus to aid recovery and remove without fail.

BAD BLOOD
Liver complaint, biliousness, dyspepsia, headache, dropsy, rheumatism, and every species of disease arising from disordered liver, kidneys, stomach, bowels and blood. We guarantee every bottle of B. B. B. Should any person be dissatisfied after using the first bottle, we will refund the money on application personally or by letter. We will also be glad to send testimonials and information proving the effects of B. B. B. in the above named diseases, on application to T. MILLBURN & CO., Toronto, Ont.

1880—1889
Government vs Opposition
The above does not mean the result of voting on election day, but that I have looked to the change in my business at the end of ten years—1880 to 1889.
At present I am offering my whole stock at half price, and will refund the money on application, if you are not satisfied with the results. This will enable the Public to procure what they require at prices to suit.
