ST. JOHN PUTS IT OVER THE
MARYSVILLE CRESCENTS

Before a very large and enthusiastic crowd in the Queen's rink last evening the 62nd Regt. hockey team defeated the Marysville septette in a fast and exciting game to the tune of 3 goals to 4. There were several changes in the local lineup. Percy McAvity being moved back to point and T. Gilbert to left wing. Fred Parker was also back in his old position at right wing and showed up in his old form.

For the visitors Hovey and Brogan were prominent in all the good plays and were well backed by their teammates. The play was rough and a continual line of play was to be seen making for the penalty box up and down the ice.

The play started off with a rush and an offside was immediately called. After the faceoff Percy McAvity received the puck and passed to T. Gilbert, who rushed but missed his shot. Barton was then called on to stop several hot ones. All of which he handled in a successful manner. The next few minutes of play was marked by determined rushing on both sides during which Clawson and Brad Gilbert carried for a score but failed. T. Gilbert and Wade then got into a mixup with the result that they each received a two minute rest for cross checking.

They were quickly followed to the bench by Parker who indulged in a little tripping. Then with only five men on the ice Clawson shot the first local goal. Time, 5 minutes.

St. John, 1; Marysville, 0.
After the face off T. Gilbert and Clawson did some good combination work, but missed the shot. The visitors then rallied and by a succession of brilliant rushes carried the puck to the St. John net, where a mixup occurred out of which Dennison shot the first goal for Marysville; time six minutes. St. John, 1; Marysville, 1.

After the face off Barton was called on to stop several hot ones. "Bumps" McAvity relieved and by a good rush carried the puck the whole length of the rink where Clawson scored on the pass; time eight minutes. St. John, 2; Marysville, 1.

Marysville then bucked up and made things hum with the result that F. Wade shot for goal and netted the puck. This point was not allowed, however, as one of the visiting players was offside. The Crescents, however, kept up their good work. C. Hovey tying the score 16 minutes after play began. St. John, 2; Marysville, 2.

Just after the face off, T. Gilbert got busy with the Crescents, checking stunt again and got a three-minute rest as the result. Barton was then called on to handle several hot ones. Parker came to his rescue, however, and worked the puck well up the side when Dennison cross-checked him, throwing him against the boards and laying him out. This held up the play for a few minutes, but Parker quickly went on with the game. Dennison getting a three-minute rest for the offence. The locals then rallied in good style and Clawson shot another goal, 17 minutes after play began. St. John, 3; Marysville, 2.

After the face off both sides made determined rushes, but B. Gilbert secured the puck and by classy stick handling, netted it; time 19 minutes. St. John, 4; Marysville, 2.

The play then became fast and furious with Marysville trying hard to score, but without avail. At this period T. Gilbert received three minutes for checking and was quickly followed to the penalty box by Bird, who received a two-minute rest. The half ended with the score 4 to 2 in favor of St. John.

On the resumption of play the locals made things hum with the result that T. Gilbert scored; time one minute. St. John, 5; Marysville, 2.

After the face off Bumps McAvity made a rink end rush, but Clawson failed to secure the pass and the puck was quickly rushed to the local's end where Barton stopped a red hot shot. T. Wade scoring on the rebound—St. John 6; Marysville 3.

After the face off J. Gilbert hauled off one of his tripping stunts and rested on the bench for two minutes. Hovey was the next offender and received the same penalty. After this B. Gilbert and Brogan tried to give an exhibition of high class wrestling a stunt that made the crowds climb out on the ice to see the fun. The two fan makers quickly reposed on the bench for five minutes as a result. When the game had begun on peaceful lines again both sides tried hard for a score, the locals being successful, as Clawson poked the puck in ten minutes after play began—St. John 6; Marysville 3.

On the resumption of play the visitors bucked up and made things hum but without avail. Clawson, who evidently has the habit scored again, time 14 minutes—St. John 7; Marysville 3.

After this an exciting mixup occurred near the visitors' goal but they gradually worked the rubber down the ice.

At this period of the play Parker's skate became loose, this caused a slight delay in the game. After the play was resumed the visitors did some fast rushing with the result that F. Wade scored, 20 minutes after the half began.

St. John, 7; Marysville, 4.
The next few minutes of play was marked by determined rushing on the part of the locals. B. Gilbert netting the puck for the final score of the game. Time, 23 minutes.

St. John, 8; Marysville, 4.
Then with only two minutes to play Parker's skate became loose again. Brogan was then put off to even matters up and the game ended with six men aside.

The teams lined up as follows:
St. John Goal, Marysville, Gregory Point.
P. McAvity, Coverpoint, Brogan.
M. McAvity, Centre, F. Wade.
Clawson, Rover, T. Wade.
B. Gilbert, Left Wing, Bird.

TO GIVE THE
EAST CHANCE
FOR TROPHY

Ottawa, Jan. 31.—While no challenges are in to date for the Stanley Cup's possession, trustee William Foran stated today that as the Maritime Province League appeared to be an organization of senior calibre, a challenge from the winners of that organization for the trophy would be accepted.

Both the East and West Coast leagues are expected to challenge soon. On the principle that a team challenging for the Stanley Cup is entitled to an equal share of consideration with the holders, a series between the British Columbia champions and the defenders in the National Hockey Association, which is virtually assured this season, will be decided under the rules of the two leagues.

"It would be unfair," said Mr. Foran, "for us to insist on the challenge team abiding by all the rules of the league of the defending team and though Mr. Ross and myself have not discussed the point, I will suggest, in the event of a series between the champions of the British Columbia league and the winners of the National Hockey Association that one game be played under the rules of one league and the second game according to the code existing in the other league. In other words have one game with seven men a side and the other with six men and if a third game is necessary, play it half and half." Mr. Foran's idea that any "fixing" is going on in the National Hockey Association games and attributes the reversal of form of the reputed crack teams to be due entirely to the six man game which he styles as spectacular but lacking in the scientific features of the old game.

Could you import a Tudhope
for \$1,625?

If Tudhope Cars were imported from the Everitt factory in Detroit, their price to Canadian buyers would be increased a matter of from \$500 to \$700 according to the model. Tudhope Cars are built in Canada from the Everitt designs. Making them on a large scale, in the Tudhope factory, which has equipment to be found in only the most modern American factories, enables us to sell Tudhope Cars in Canada at the same price as they command on the American market.

Consider what this means in the purchase of a Tudhope four-cylinder 30-36 Touring Car at \$1,625. This car is superior in construction and appointments to many of the imported cars which sell at \$2,500.

Compare it and see.
Examine the long-stroke motor cast in blue; the material used—chrome nickel steel; the double-drop frame; the Continental De-

mountable Rims and the Bosch Dual Ignition system. Other cars at \$1,625 do not embody these features.

And why? Because the imported cars which sell in Canada for \$1,625 are \$1,100 cars in the United States. They are not as high a type of car as the Tudhope.

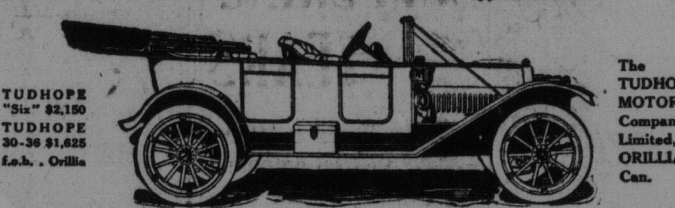

Now look at the Equipment:

TUDHOPE SPECIAL EQUIPMENT

Every Tudhope car is fully equipped. That is, it has everything the buyer needs. Besides the usual equipment, which of course includes top and windshield, it has a speedometer, steel toolbox on the running-board and an Extra Tire and Demountable Rims. Every car has nickel trimmings with black-and-nickel lamps, and in addition has the Special Tudhope Equipment.
