

President of the General Masonic Relief Association of the United States and Canada, the following communication, viz:

General Masonic Relief Association of U. S. and Canada,

OFFICE OF THE PRESIDENT,

TORONTO, March 16th, 1891.

M. W. BRO. JOHN W. MORRISON, ESQ.,

Grand Master G. L. of Prince Edward Island.

Dear Sir and M. W. Brother:

Permit me, as the President of the General Masonic Relief Association of the U. S. and Canada, to call your personal attention to the many benefits to be derived from affiliation with our Organization.

The results of its work so far have been incalculable and in this Jurisdiction alone, with a membership of twenty thousand and an annual payment of \$200, we have in one year saved three times the amount of the affiliation fee, indeed, in this city, where we formerly expended annually from seven hundred to one thousand dollars in transient relief, we have reduced our expenditure some sixty per cent.

I fraternally ask you to read the enclosed circular and place it before the proper committee of your Grand Lodge, with a view to the affiliation of your jurisdiction with our association.

I hope to have the pleasure, some day, of your personal acquaintance, and would gladly welcome you to our Annual Communication, which will be held in this city next July.

Yours fraternally,

J. ROSS ROBERTSON,

President, General Masonic R. A.

Also the following documents in reference thereto, which are filed with the R. W. Grand Secretary.

1st. Brother D. F. Penington, M. D., Secretary of the Association.
