

SIXTEENTH REPORT
OF THE
Women's Christian Association,
OF THE CITY OF HALIFAX.

The work of the Women's Christian Association has been quietly going forward during the past year. The Night School open during the winter months, the work connected with the Women's Home, the Traveller's Aid Society, and visiting of various kinds have been, as usual, faithfully attended to.

Mrs. Wesley Smith resigned her position of President of the Traveller's Aid Society in February in consequence of departure for England. Mrs. Stoddard, 118 Gottingen St., was appointed in her place in May. A parlor concert in aid of the Boarding Home Fund was held at the President's (Mrs. Farquharson's) residence, on the 22nd of May, which realized the sum of twenty three dollars (\$23.00.) On June 10th an entertainment, the principal features of which were Readings by Miss Wallace, was held in the Church of England Institute Rooms for the same purpose which brought the sum of sixty dollars (\$60.00.)

Mrs. C. C. Blackadar kindly consented to take Mrs. W. Smith's place as Treasurer for the Association during her absence in England.

We would recommend the Reports of the Women's Home and Night School to the careful perusal of the subscribers to the Association.
