VIETNAM SUBVERSION POLICY STATEMENT

At formal Commission meeting today Indel supported adoption of Candel draft statement on subversion as worded in subparagraphs one and two of paragraph two our telegram 127 May 30. Poldel asked for adjournment without time limit. By advance agreement, I proposed a one-week time limit which Menon extended to ten days to allow Poldel to receive instructions. Poldel asked brief adjournment for private discussion with Menon following which Menon conferred privately with me. As result I agreed to withdraw time limit on understanding Candel reserved right to call a formal meeting to discuss item not repeat not later than ten days from now. It may be noted that any delegation has right to ask a meeting for any time. However my agreement to withdraw time limit was based on Menon's private assurance that meeting will be held at our request and that if Poles refused to attend, matter would be reported to Co-Chairmen on grounds of non-cooperation. I propose to ask for a meeting June 23.

USA AID TO VIETNAM

We are not clear as to what further instructions you wish from us (sentence 3, paragraph 1 of your reference telegram). Because Americans have already approached us here and in Washington we would envisage your discussions with Nolting as providing him with an opportunity to volunteer any information he wishes. We would be grateful for immediate report and your assessment of implications if Nolting offers more concrete information
