HELP!

You may be able to defend yourself from a frontal
attack, but how about it if you are held up from
the rear?

Your body has to fight constantly against disease.
It isn't always a fair fight, because constipation is
a treacherous enemy that you usually don't re-
cognize until too late.

Stagnating, poison-forming food waste in your
large intestines, helps disease to attack you and
hinders you from defending yourself. Such self-
poisoning causes over 90% of human illness.

You may be held fast for months in the grip of
constipation, trying vainly to free yourself by
taking castor oil, pills, salts, mineral waters, etc.,
in order to force the bowels to move. Not only
will the constipation grow worse with the con-
tinuance of such remedies but you will be less
able to defend yourself against the attack when it
comes.

On the other hand, Nujol overcomes constipation
and brings about the habit of easy, thorough
bowel evacuation at regular intervals. It acts
gently and harmlessly, at all ages under any
conditions.

Take Nujol and constipation can't sneak up on
you and cripple you when you least expect it.
Get a bottle of Nujol from your druggist today
and write for free booklet "Thirty Feet of
Danger."

Warning: Nujol is sold only in sealed
Trade Mark. All druggists. Insist on Nujol. You
may suffer from substitutes.

The people of Bridgeport almost
witnessed a drowning accident late
yesterday afternoon, when the little

with a playmate and when he fell in a
little girl ran home to tell her mother.
The boy hung to some small boards
until through assistance from the
Mill he was rescued. The little fellow
was then taken home to bed and
undoubtedly will never go near the

Guelph Man Preferred

Ald. Harry Westoby is the Secretary
of the Guelph Chamber of Commerce,
appointed at a meeting of the Directors
Saturday and entered upon his duties
yesterday morning. It is understood
that there were about 150 applicants
for the position, the majority of them
from out of the city, but the Direc-
tors took into consideration the fact
that Ald. Westoby was thoroughly
familiar with conditions in Guelph
and that he would be able to do much
more useful work than an outside man.

A Stratford Ex-Alderman Passed Away.

Ex-Ald. J.D. Hamilton a familiar
figure in Stratford for many years
died at the family residence, Albert
street yesterday afternoon. He had
been unwell for some time and his
death was not entirely unexpected.
"Lord Raglan" as he was more gen-
erally known was born in Montreal and
came to Stratford about 36 years ago
in the employ of the Grand Trunk
Railway. He rose to the position of
conductor and he was one of the mem-
bers who attended the convention of
old employees of the Buffalo-Goderich
branch of the Grand Trunk, held in
the Queen's Hotel last summer.

He was prominent in lodge circles
being a member of Avon Lodge 1,
O.O.F. the A.F. & A.M. Knights of
Pythias Brotherhood of Railroad Con-
ductors and the Orangemen. He was
Alderman for about eleven years.
He leaves besides his wife, four
daughters.

the advisability of the Board taking

Committee was all "let up" but were
invited to the Fire Prevention meeting
by the Mayor consequently there was
no damage incurred.

MAC'S MEGAPHONE

A visit to our store is time well
spent. You will find our goods all
marked at prices that you will be
glad to pay.

Our customers invariably get the
benefit of good careful buying. We
try to protect you against the neces-
sary advances as well as the unneces-
sary ones.

And there is no question in my
mind but some of the advances are
unnecessary. Take matches for in-
stance, I do not think they should
be the price they are. But when we
sell you two boxes of Eddie's best
silent matches (1,000 matches) for
2c., we are sure giving you as good
value as we can and keep Charlie
Huber out.

We are always pleased to have you
drop in and say "hello" even if you
do not want to buy anything. Mac-
