AFTER careful consideration we have decided to continue the publication of the DOMINION PHILATELIST. The cancelling of our 2nd class rates, adds \$150 per annum to our expenses for postage. We had at first thought that this extra tax would kill us, but we have received so many offers of assistance and words of encouragement, that we will go on as usual. Our July number will appear about the 30th of the month, and will be full size, and we trust will be about the average in quality.

THE A. P. A. Convention will be held beginning August 21st, at Niagara Falls, at the Cataract House. All being well the Editor of this Journal will be present. A good time is anticipated.

THIS number will consist of only eight pages. It was July 9th before we fully made up our minds to continue publication, so have issued a small number for June to complete the series.

STAMPS have been placed on the free list in the U. S., mainly through the efforts of G. B. Calman, a well known wholesale dealer of New York. This is as it should be.

THE Government of China is contemplating the establishment of a complete government postal system for that country.

JOHN R. HOOPER got 25 years in the St. Vincent de Paul Penitentiary for attempted wife murder.
