GREEN SCENE

By Anne Albert

Recycling bins have begun to appear throughout campus, they are labelled for either paper or aluminum cans. We hope soon to have them in every university building. Please do not treat them as garbage cans, only paper or aluminum. Thank you.

The Student Environment Society congratulates Beaver Foods on the introduction of the Enviro Mug. If you don't have one yet, they can be bought at Beaver Foods locations on campus.

DID YOU KNOW THAT...

Of all the water on planet Earth, 97% is salt water. Only 3% is fresh water, and most of that is frozen in the polar ice caps. Less than 1% of Earth's water is available for our use.

TIP!

Turn the tap on briefly to wet your toothbrush, and turn it off until it's time to rinse.
