# We're Changing!

By this time next year Dixie Quality Foods will be a different and exciting place to shop. We are going to be over 50 individual food shops and places to eat all under one roof. And during construction we will be making many changes. The first will be the demolition of our flower and garden centre next month. To make room we must clear out our entire stock of plants and garden supplies. Here are just a few of the super bargains you can pick up at our garden centre clearance.
