TORONTO, CANADA. Aug. 9, 1919

Hon. W. L. McKenzie King,
Ottawa, Ont.

Dear Mr. King;

Allow me to be one of the thousands who will have the pleasure of congratulating you upon being chosen leader of the Liberals of Canada.

Your knowledge of the causes of, and remedies for, labor problems will give our party an unusual advantage. I hope the equally important Department of Agriculture will receive more practical attention than in the past.

Again congratulating you, and assuring you of hearty support at all times, I remain,

Yours sincerely,

Walter Harland Smith
