Island of Montreal.

I am almost sure they are helping those who are looking after the revision of the lists in the so-called English counties on the Island.

As to the meetings, we are to hold twenty of them, the first one to be held on the 17th instant. The Board of Directors of the Cartier-MacDonald Club has formed a committee on this subject.

The work is thus proceeding very well and you can rest assured that the Conservative Party will have no reason to complain about the French-Canadians of the Province of Quebec.

I am still anxious to know when you expect to come to Montreal to address the Cartier-MacDonald Club. Everyone is anxious to hear you and they all stand with you like one man. There is no division amongst us.

Yours faithfully,

RM/ED
