Ottawa, July 1, 1924.

Dear Mr. Gilhooly:

I am glad to hear from you again after some years, and especially to get your report as to the general feeling throughout the west. The verse which you enclose is quite interesting. It is doubtless true that Mr. Crerar has lost ground substantially by reason of the Home Bank fatalities.

I sincerely trust you are getting along well yourself and Mrs. Gilhooly is in good health.

Yours very truly,

J.A. Gilhooly, Esq.,
317 King Edward St.,
Winnipeg, Man.
