I paid No. 12, Hoho, -- 6 --, this summer,  
as Mr. Bourassa assured me that he was the right person.

Re Nos. 39 and 40, I was unable to ascertain  
their previous Band numbers - not having tickets -, and as  
they claimed to have received Treaty before, I paid them, in  
1924, giving them tickets under above numbers. I could not  
find out their names.

Your obedient servant,

*Harold Gurd*

Acting Indian Agent.
