

Ottawa, 30th March, 1911.

Madam,--

I am in receipt of your letter of the 27th March, with which you forwarded report of attendance upon Indians during February; and in reply I beg to say that the Department is pleased to know that you were able to look after your husband's patients during the time that he was in quarantine in the small-pox hospital at the Oneida Reserve.

Your obedient servant,

*[Handwritten signature]*

Asst. Deputy and Secretary.
