Ottawa, 25th March, 1912.

Sir,

In reply to your letter of the 23rd instant, relative to the proposed construction of a telephone line between Leask and Mistawasis, the headquarters of the Carlton Indian Agency, I beg to say that this Department will leave it to you to decide how the line in question is to be constructed, but I may say that I shall be glad to learn that the work will be proceeded with at an early date, as the need for telephonic communication is pressing.

Your obedient servant.
