MEMORANDUM

From

To The danger that the thinking
England is strong can do
it, it is enough - you
know how said you as
the 20th C in can print
in 1910 - let me say
I doubt if that is really
true, it has ^{to your big speech} been
true when it was said ^{then}
before peace over sea
was unneeded etc. - but
remember you have
had the years of war
years of war overhead
