Dear Sir:-

The Certificate of Airworthiness for your aircraft CF-ALL has been renewed to read valid until May 11, 1961 and is returned herewith.

This aircraft is presently valid for operation as a land-plane X skiplane seaplane . Should you desire to operate this aircraft in any other configuration than as indicated above, then it will be necessary for you to forward the documentation as required by the Engineering and Inspection Manual to the Regional Aircraft Inspector for his approval.

Please note that during the validity of this Certificate the Weight and Balance Report for this aircraft must be kept up to date, and that the Centre of Gravity location must remain within the prescribed limits under all loading conditions while the aircraft is being operated.

Yours very truly,
