

## The Congregational Welcome

The Congregational Churches of the district gladly join with the Churches of the other denominations in assuring the returned soldier a hearty welcome to their services and all their activities.

Having shown so excellent a spirit of heroism and resourcefulness in the recent world struggle, we believe you have proved yourself afresh to be of the right quality to take a more active part than ever before in "carrying on" the greater campaign for the Master's kingdom. In reality it is for this you have already been fighting.

Then welcome! Thrice welcome!
