

## The Laws of Growth

I shall keep true touch with the universe,  
And the vital light of the fire divine  
Will direct my life with a vision clear,  
And achieving power will be surely mine.

I shall climb the heights where true progress leads;  
I shall learn the secrets of Nature's laws;  
I shall teach new truths that will upward guide,  
I shall work for justice and freedom's cause.

I shall sing no song of despair or grief;  
For my failures past I shall weep no tears;  
I shall garner courage, and faith, and love  
To give hope and strength in the coming years.

I shall search the lives of my fellow men  
For the good, the noble, the true alone;  
For the things I see in their lives I know  
Will re-act on me and transform my own.

I shall turn my face to the sun all day  
Till he sets at eve in the golden west;  
And the work of life will give growth and joy,  
And the afterglow will bring peaceful rest.
