} *Of which one Course will be required, of three months duration.*

Provided, however, that Testimonials equivalent to, though not precisely the same as those above stated may be presented and accepted.

5th The Candidate must give proof by ticket of having attended during twelve months the practice of the Montreal General Hospital, or that of some other Hospital, approved of by the University.

6th. He must also give proof by ticket of having attended for at least six months the practice of the University or other Lying-in Hospital approved of by this University, and of having attended at least six cases of accouchment.

7th. No one shall be permitted to become a Candidate for examination who shall not have attended at least One Session of this University, and during that Session one full Course of all the branches included in its curriculum.

8th. Courses of less length than the above will only be recived for the time over which they have extended.

9th. Every Candidate for the Degree must on or before the Fifteenth of February, present to the Dean of the Medical Faculty testimonials of his qualifications, entitling him to an examination, and also a Thesis or Inaugural Dissertation, written by himself, on some subject connected with Medical or Surgical Science, in the Latin, English, or French Language. He must at the same time deliver to the Dean of the Faculty the following Certificate: —

MONTREAL,———18—

I the undersigned, being desirous of obtaining the Degree of Doctor of Medicin and Master of Surgery, do hereby declare that I have attained the age of twenty-on years, or (if the case be otherwise,) that I shall have attained the age of twenty-on years before the next graduation day, and that I am not (or, shall not be at tha time) under articles as a pupil or apprentice to any Physician, Surgeon, o Apothecary. [Signed,] A.B.

10th. The trials to be undergone by the candidate shall be :—

[1] The private examination of his Thesis as evidence both of Medical and gener acquirement, followed [if approved] by its public defence.

[2] A general examination on all the branches of Medical and Surgical Scienc oral, and by written papers.

[3] The Clinical Professors shall conduct the examinations of members of the classes at the bedside, submitting to them cases for diagnosis and treatment in t wards of the Hospital ; they shall also in estimating the standing of members of the classes,and the number of marks to be awarded, take into account the regularity their attendance and the diligence and care they evince in reporting cases.

These examinations will be divided into Primary and Final, the former comprehe ding the branches of Anatomy, Chemistry, Materia Medica, Institutes of Medicin and Botany or Zoology ; the latter, those of the Practice of Medicine, Surgery, Midwi ery, and Medical Jurisprudence.] It will be optional with the student to present hims for the Primary Examination at the end of the Third Session, or the Third Year.

* In the case of all Students who have not already (April 1870) passed the Primary Examinati
