LIFE:

Life is like a bridge, in that it is made up of spans; each year you live
adds another span; but as there are some very small bridges, even so there
are some very short lives. This should suggest to you to attend to matters
of importance now while you enjoy health.

Life insurance in a solid company, such as the NORTH AMERICAN
LIFE, is essential to the best interests of your loved ones. Invest in it.

Pamphlets respecting the Company's attractive plans furnished on ap-
plication to the Head Office, or to any of the Company's agents.

L. Goldman Secretary.
