In 1868 the value of taxable property was, in round figures, \$39,000,000 while its total indebtedness was, \$5,157,000; population 102,000; annual revenue \$778,288; value of exempt property \$6,017,000. In 1901 the value of taxable property was over \$150,000,000; its total indebtedness over \$28,000,000; population 266,826; annual revenue \$3,433,000; exempt property \$38,254,000. The assets of the city in 1901 were valued at \$15,576,000, which includes Waterworks and Real Estate, outstanding taxes, etc., Waterworks and Real Estate being valued at \$13,471,000.
