

(11893), out of an exceptionally well-bred mare by Prince Rosemont (1992). The others were got by Scotland's Fortune (11902), a son of Royal Galt's Heir. These colts are out of mares, got by the Bigger and Peebles and Lanark premium horses, and are thick, well-ribbed animals, such as the Canadian breeders fancy.—The Scottish Farmer.

### Won Thirteen Prizes

At the London International Show, the Hon. Adam Beck won thirteen prizes—first for hunt teams, first for qualified hunters, Corinthian class; second for heavy-weight qualified hunters, second for tandem, third for best lady hunter, third for light-weight qualified hunter, third for middle-weight qualified hunter, third for the best pair under 15.2, twice defeating Mr. Vanderbilt's crack pair; third for the best lady's harness horse, single, besides two reserve prizes, and two highly recommended. Mr. Beck's horses were fourteen days aboard ship, having been detained at Montreal owing to the longshoremen's strike, and arrived in London only four days before the show opened, whereas the American horses were there months before. All the horses exhibited by Mr. and Mrs. Beck were bred in the Province of Ontario.

### Clydesdales for Canada

Last week Mr. Matthew Marshall, Stranraer, shipped fifteen mares and fillies to Mr. W. J. Butler, Ingersoll, Ont. These animals went by the Donaldson line steamer which sailed early on Saturday morning, and were altogether an exceptionally well-bred lot. All except two were bred and purchased in Wigtownshire. One was

bred in Ireland by the late Colonel Dames Longworth, and was got by the champion horse Everlasting (11331), thrice first in succession at the Highland and Agricultural Society's shows. Two were by the noted Baronson (19081), the sire of the Cawdor Cup champion Oyama; and an equal number by each of the great Cawdor Cup champion horses Marcellus (11110) and Hiawatha Godolphin (12062). Two were also got by the premium horse Privilege (11040), and one by the noted Darley horse Carthusian (9722). A good four-year-old mare was got by the Newton-Stewart premium horse Top Knot II. (10472), and another good mare was by the famous horse M'Raith (10229), which bred so well at Merton. Others were by King's Signal (12198); Missionary, alias Gay Galtly (13000); and Lullness (11418). The dams of many of these

fillies are exceptionally well bred, being got by Sir Everard (3353), the sire of Baron's Pride (9122) and other grand stock; Up to Time (10472), one of the best of the sons of Baron's Pride; the good Darley horse Excelsior (5751); and Prince Robert (7135), a noted prize-winner, and sire of the unbeaten champion Hiawatha (10067). So far as breeding is concerned no better lot of fillies and mares than this has been exported to Canada this year.—Scottish Farmer.
