Our Literary Friends, who love the best old books, and who appreciate our system of doing business, will be CASTING UNPERISHABLE BREAD UPON THE WATERS OF TIME by aiding in the circulation of our catalogue, bearing in mind—

1. The Annexed prices are net, and do not include postal or express charges.
2. We have by far the most extensive stock of the best old European Literature in Canada.
3. Professional Bookselling is not with us a business in which large profits are made or extortionate prices charged. *We have no fancy prices.*
4. We pay ready money for all purchases in England or America, and sell at the lowest possible remuneration to all customers for cash.

In selecting books, Friends will kindly state how they prefer them to be forwarded—POST, EXPRESS OR FREIGHT—considering it to be our duty, but reserving to ourselves the right of paying a portion of the expenses on heavy parcels to the UNITED STATES. The barbarous tax on knowledge, together with the extortionate charges of the Express Companies is apparently framed for the express purpose of keeping the people in a state of continuous childhood or total ignorance.
