

## Just as Necessary in Your Home as the Sewing Machine

**Makes Kitchen Work Easy  
Saves Room, Time, Toil  
Pays for Itself Quickly**

### Have a Common-sense Kitchen

**M**R. Man-of-the-house, do you half realize what toilsome drudgery it is for the women-folks to get the meals in your kitchen without a Chatham Kitchen Cabinet? It is about as up-to-date as if you cultivated your crops entirely with the hoe, instead of the cultivator; as if you mowed your grain with a scythe, instead of a self-binder; as if you threshed with a flail, instead of a threshing machine. You see to it that the farm work is done by modern methods, with labor-saving tools. Outfit your kitchen with this labor-saver—give the wife what rest and ease you can buy her,—kitchen work is hard enough at its easiest. This greatest kitchen convenience makes it far, far easier.

### Look at It in the Picture

**S**HOW this advt. to your wife. Ask her what it would mean to have a cabinet that held everything used in cooking,—focussed the whole kitchen-battery in one spot, right in easy reach of a woman seated, instead of making that woman trot from pantry to cupboard, from cupboard to table, from pot-closet to range, back and forth a hundred times a day. The Chatham Cabinet saves, easily, five hundred steps a day in any kitchen; and the kitchen is easier kept tidy, gets rid of endless clutter, and the foodstuffs are kept in far better shape and wasted less. Isn't it worth while to save the women-folk 150 miles of needless kitchen walking in a year? This cabinet does just that.

**Sells for Less than Any Ordinary Cabinet**

# CHATHAM Improved 1910 KITCHEN CABINET

**Guaranteed To Satisfy You In Every Detail**

#### So Practical — So Compact.

**L**ET your wife see the picture here of The Chatham Kitchen Cabinet. She will perceive at a glance that it combines pantry, cupboard, baking kit and kitchen table all in one, and yet takes up less space than the ordinary table alone. Note the large enclosed closet for kettles and larger utensils, with the extra shelf at back for smaller pots, etc. Shelf-rack across closet door holds six aluminized canisters, air-tight,—supplied free with Cabinet, as are also six large canisters seen on table section. See the big flour-bin at the bottom, below the drawers—glides out on roller-bearings, has metal bottom, is dust, fly and mouse proof, and holds 75 pounds.

#### Table-Top Is Zinc and So Roomy.

**N**O drawer nor bin opens on the table-surface, which is covered with heavy sheet zinc, easy to keep clean, and unwearoutable. Drop leaves at each end, self-locking when lifted and strong enough to hold a man's weight, almost double the table's surface. Nothing about in its own way; roomy, handy, right,—within Table top is 2 floor; whole 6 ft. high, than a good and yet has for everything, spices, package tea, baking kit, and pans,—used in getting

MANSON CAMPBELL.

#### Handsome, Solid, Sensible

**E**VERY Chatham Kitchen Cabinet is framed throughout of finest selected hardwoods, richly finished; metal bottoms are provided every place they'd be useful; drawers are of snowy basswood; glass and mirror (at top, centre) of best quality; catches and knobs heavy copper finished,—every part of it BUILT RIGHT, and better built than any other cabinet sold. Metal bottom under whole cabinet, and dust-tight back; mounted on triple-action roller casters,—easily moved about.

Be sure to examine The Chatham Kitchen Cabinet fully before you invest in any. If we have no representative near you, you can buy direct from the factory. Send for fully illustrated free booklet.
