WORKMEN'S RIGHTS

In Canada a workman may proceed against his employer under the Workman's Compensation for Injuries Act, and at common law. That means untold annoyance and inconvenience to an employer. An employer is even liable for damages to an employee for injury resulting from the negligence of a fellow employee. Oft-times a workman will get back at an employer in this way. The employee may or may not win. Whether he does or not it means a great deal of anxiety to you as an employer. Let us relieve you of all this. Our liability policies are designed to do this very thing.

Will be glad to explain our plan.
