The Steinway Piano,
The Chickering Piano,
the Haines Piano.

It is quite unnecessary to say anything in praise of these instruments. The first two on the List are acknowledged by all to be the finest Pianos in the world. The most celebrated artists of the day have pronounced in favor of one or the other over all others.

THE HAINES, for a medium priced Piano, excels in finish and beauty as well as durability, any other instrument of its class. Its popularity is proved by the fact that the Haines' Factory has risen to be the Third Largest Factory in America.

On receipt of \$5, we will send by mail, boxed, registered and prepaid, a Solid Coin Silver Hunting Key Wind, 15 jewels, patent lever watch, boys' large and medium size. No watch sold on this continent has given such universal satisfaction as the well-known Jacob Watch; over thirty thousand of these watches are to-day in use in the Dominion, which have cost the owners \$15 to \$25 each; they have cost the strength and durability of watches costing five times the price; they have been carried for 20 years past by thousands of men who prefer them to a more bulky watch. The price \$5, is for one or one hundred. We purchased 3,000 of this grade, the largest bill ever bought by any house in the Dominion, and can never be repeated at this price.
