PAQUET FURS From the Trapper Direct to YOU

Through Canada's Greatest Fur Factory

THE steadily increasing demand for PAQUET FURS has been the direct cause of the adoption of this new method of selling Furs, from Trapper to YOU. Our new system will enable every man and woman in Canada to enjoy the comfort of rich and luxurious Furs at prices they can well afford to pay—prices which have never before been possible—the MANUFACTURER'S PRICES of Canada's Greatest Fur Factory. It will enable us to keep our immense Fur Factory running at full capacity all the year round, turning out Furs and Fur Garments of the most approved designs originating in the great fashion centres of Paris and New York. The main reason

why Furs have heretofore been so expensive is that other Furs, sold in Canada, are made up for the most part from finished skins, bought from Dressing and Dyeing Houses which charge a profit on the skins before they are cut into at all.

This Factory

which is by far the largest establishment of its kind in Canada, and one of the largest in the world, is the only Fur Factory in AMERICA where every process such as dressing, tipping, dyeing and finishing of Furs, from the raw skins to the finished garment, is in operation under the one roof. Thus, in dealing direct with this Factory, you save all the intermediary profits.
