## WAINWRIGHT

*Lots for Safe and Profitable Investment*

There is not a Railway Divisional Point in Western Canada but has been a tremendously profitable field for real estate investors, and WAINWRIGHT, with its ideal geographical location, will rival older cities, like Saskatoon, Moose Jaw and Regina in rapidity of development. WAINWRIGHT is not a probability or a gamble—it has an assured great future with the Grand Trunk Pacific back of it. Today lots are selling at \$75 to \$175 within two blocks of the station, which will in five years' time be downtown warehouse and business sites, worth as much as down-town property in other Western cities of today.

WHEN LOTS ARE WORTH \$500 to \$1,000 PER FOOT those who buy today at \$75 to \$175 per lot will make fortunes. It's foresight, not luck, that makes wealth. It's the men who have foreseen the prosperous cities of Western Canada when they were only small towns that have made fortunes in real estate. You can with the investment of a few hundred dollars in WAINWRIGHT make thousands. Better write us today. Shrewd investors are getting in on the WAINWRIGHT proposition. They are figuring on big profits. You can share with them.
