There are several advantages about back door farming which appeal to men who are averse to donning the rude habiliments of the such as the tube skirt overall and the her.

BACK door farming is a genteel occupation pursued by people who have grown tired of consorting with decrepit vegetables and octogenarian eggs. It is a healthful pursuit, as it causes two drops of perspiration to grow where but one grew before.

He plays the part that the Jew is entitled to sympathy, and he arouses it with heart throbbing interest in his audience. The sympathetic interpretation is along the Irving lines. Conservatory Recital

CAPLAN-GRAY RECITAL

Last night the Conservatory of Music was the scene of the best concert ever heard in Brantford. It is not every day that Brantford gets such artists as Mr. Caplan and Mr. Gray. Mr. Caplan, violinist, enthralled the audience with his playing. It is doubtful if the Mendelssohn Concerto was ever played better. Caprice Viennoes captured the audience, and Mr. Caplan was forced to respond to several encores. He gave the Beethoven Minuett and was forced to respond with "Traumerie," and the way that was played was a revelation. Mr. Caplan's tone of power was wonderful, but it remained for Zieunerweisen to really produce the artist's genius. His interpretation of the piece was only as artists like Caplan can play them. Mr. Caplan was recalled, and as an encore gave one of Kreisler's favorite compositions.

Ernest D. Gray, the young Canadian pianist-composer, gained a host of friends by his playing. That Canada is doing her share musically was evidenced by Mr. Gray's playing, his own compositions making a great impression.
