Boy's Letter
OTHER SIMCOE NEWS
Chancellor McCrimmon to
Speak on Sunday and
Monday Next

(From our own Correspondent)
Simcoe, June 14.—Writing from
Camp Borden to his uncle, Turnkey
L. McInally here, Harry, son of Wm.
McInally, of Windham, who has joined
of the dental corps gives a breezy
account of life in camp, and inci-
dentally pays a high tribute to our
veteran bandmaster, John Sutton.
He speaks of slow recruiting, good
quarters and food, and activity of
the flying corps, and having taken
a trip himself, gives the following
description:
"I had an opportunity to go up in
one Monday evening. Was doing
some dental work for a returned
flight captain, and he asked me over
for a flight with him that evening."
"I went up to the Aerodrome
shortly after five o'clock, as they
do their flying between five and 8,
morning and evening. The sky is
lousy with them between those
hours, especially evenings. I can't
explain to you what it is like to
ride in the air, but I like it. It has
a sensation all its own. We were up
25 minutes. He cut quite a few cir-
cuses with me, such as doing the fig-
ures eight and making quick "nose
dips," as they call it.
"Talk about riding down elevators
in tall buildings. It has that beaten
a thousand ways."
Remembers Former Bandmaster
Young McInally played in the
band of the 39th Regt. from the age
of about 12 years. He is therefore
not unfamiliar with camp life, still
he remarks:
"Say, you can't imagine how
homesick I was for John Sutton, the
first few nights was in camp, es-
pecially the first night, when I was
about to turn in, and bugles were
sounding 'lights out'—that mournful
call. My surroundings and all made
me think he should come into the
tent and say, 'Well, Harry, are you
in?' because, as many camps as I
have attended, and as grown-up as I
am, he was always along, and he
seemed to always take such a deep
interest in me, and I always seem-
ed to naturally look to him as a sort of
god-father. Do you know, I felt his
absence so keenly that I sat down
and wrote him when I went to bed."
Prominent Educationalist to Visit
Simcoe
Chancellor McCrimmon of Mc-
Master University, Toronto, will
reach at the Baptist church morn-
ing and evening next Sunday, and
remaining over will deliver public
address at a citizen's mass meet-
ing to be held at St. James' church on
Monday evening.
The canvass for I. O. D. E. funds
now in the hands of an able com-
mittee of leading citizens, will be
given a good start off for Tuesday
morning. At the meeting in ques-
tion there will be no admission fee,
charged, and no collection taken.

**Are The Four Fruits Used in
Making "Fruit-a-tives"**
"FRUIT-A-TIVES" is the only
medicine in the world that is made
from the juices of fresh ripe fruits.
Thus, it is manifestly unfair to say, "I
won't take Fruit-a-tives because I have
tried other remedies and they did me
no good". On the other hand, the fact
that "Fruit-a-tives" is entirely different
from any other preparation in the world,
is just why you should give it a fair trial,
in any trouble of the Stomach, Liver,
Bowels, Kidneys or Skin.

**Pte. Reg. Tyrell, in-London
Hospital, Writes to
Mother Here**
"Dear Mother,—Just a few lines
to let you know that I am fine. How
are things in good old Brantford?
I suppose the same. I was taken to the
Massey Harris Convalescent hospital
yesterday for an outing. I sure did
enjoy myself. I had one jolly time.
It is the most beautiful place I have
ever seen. A fellow would't think it
was a hospital. It is more like a pa-
lace. I met Lt. Stanley Buck, you
know Stanley, who lived on Wil-
liam street and Sister Powell, also
from Brantford. Stanley is in the
Royal Flying Corps."
Mr. E. L. Cutmore, 11 Elizabeth
street, has received the following let-
ter from his cousin, Pte. Vincent
Cutmore lying wounded in hospital,
Bangor, Edin., Scotland, May 10th.

Dear Edie and Gus,—Well, here I
am again Dear Cousins, getting on
fine my wounds almost healed up
and feeling very well in myself in
Bonnie Scotland among the Heath-
ers, only I'm greatly surprised at the
weather here, all the time dull and
cold, and very rainy, but I'm not
far different to the weather we have
the last three weeks I spent in
France, which were dandy, quite
warm and lots of sunshine and heat.
I've been very happy here, I hope
I'll be able to get home in a few
tranches a lot more cheery, espe-
cially exposed to the weather, rain or
shine in open trenches.
