The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Medicine is the positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Medicine is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case it fails to cure. Send for list of testimonials.

SAFETY FIRST

LIFE

The Great "IF" in Life

It is this ever present "IF" that life insurance offsets. The man or woman with a family to support will be able to provide for his loved ones IF he lives and does not become disabled.

He will pay off the mortgage on his house IF he lives until he has saved the necessary amount. He will send his son to college and present his daughter with a marriage portion IF an accident or an illness does not carry him off prematurely.

The partners in business will continue to prosper IF death does not rob the firm of the capital, brains or experience necessary to its success.

The youth will each week, or month, save something for his old age IF he sets aside a few dollars at regular intervals in a safe depository.

The aged mother will never experience want IF her son continues his dutiful support uninterrupted by death.

Thus the whole fabric is woven around the little word "IF."

The father on a salary, the partners in business, the son or daughter who supports an aged parent, in fact every man and woman on whom others depend, can make sure and permanent provision for the future by means of life insurance—IF taken in time.
