THE ACADIAN.

WOLFVILLE, N. S., JULY 30, 1897.

Local and Provincial.

Camp-meeting opens at Berwick next Thursday.

Well reader, what did you indulge yourself in last Saturday, the "circus," or the "excursion?"

Mr G. E. Torrie, of this town, has in his possession a seven-dollar bill, issued in 1776, by the United States government.

Waburn's circus was at Kentville on Saturday last. It is said to have been a very good one as circuses go and those who attended were well satisfied.

This week we have to acknowledge a donation of new potatoes, beans, carrots, etc., from the garden of our venerable townsmen, Capt. G. H. Gillmore, for which we beg to return our thanks.

FOR SALE.—A building lot, in a sightly and desirable location, near centre of town. Apply to C. E. STARR.

Wolfville was favored with an "organ" recital one day this week. A handsome Italian turned the crank, while his dainty Signora gathered in the shakels. It wasn't any worse than the average "Synthetic" recital.

That California Fruit Cider is far superior to any other temperance drink ever offered for sale in this country. See per glass at the Columbia Cafe.

The Dental Association of Nova Scotia meets this year in Wolfville. The first session will be held Aug. 25th, the convention to continue about three days. Dr. F. H. Parker, of New Glasgow, is president of the Association.

Now that our band has got started again we shall hope to hear them play on the stand some of these fine evenings. We trust that the band will have every encouragement from our citizens, and will soon become a strong organization. A promenade concert would be a good feature and would be well patronized.

Prof. C. Griffin is at the Morse store with a gripophone. He seems to be doing a prosperous business. For the insignificant and trifling sum of a nickel you can hear any one selection on the programme. This wonderful instrument brings the great soloists and high priced bands within the financial reach of the "swinish multitude."

LOOK!—For Sale or to Let, House and stable in Wolfville, good garden 1/2 acre, 20 apple trees, 30 plum, pear and cherry trees, gooseberry and raspberry bushes. Picked 400 boxes strawberries this year. C. M. GOMMELT.

Arrangements are now being made for a steambath excursion to Blomidon from this port on Friday next, Aug. 6th. The trip will no doubt be a pleasant one and will afford an excellent opportunity to visit one of the most interesting places in the province. Mr G. E. Torrie has the affair in hand, and will do all that is possible to insure a good time to those who attend.

Mr Kenneth Skinner, who is visiting his old home at Roundhill, after an absence of several years, was in town this week riding a motor tricycle. His novel machine soon gathered a crowd, and Mr Skinner was called upon to answer numerous foolish questions. It is said to be the only machine of the kind in America, and is capable of going thirty miles an hour.

Local and Provincial.

The Coast Railway for a distance of 30 miles between Yarmouth and Pubnico Head has been opened for traffic.

Rev. J. A. Harris, of Mahone Bay, conducted the services in St. John's church, on Sunday morning and evening last.

Mr J. D. Chambers, our popular dry goods merchant, has this week had an awning placed in position over the sidewalk in front of his store.

There was an eclipse of the sun yesterday morning between the hours of 8 and 10.30 o'clock, which would have been visible here had old Sol not been obscured by clouds.

We are in receipt of a pretty and useful folder from the Yarmouth S. S. Co. This company has put our Province very much in debt for the valuable advertising given every season. We all wish the promoters well.

A party of excursionists came over from Parrboro to Wolfville last Saturday or the steamer Acadia. They seemed to have a fairly good time, at a moderate cost. We are always glad to see our Parrboro friends.

FOR SALE.—A No 51 Walker Furnace with 9 pipes and registers. Suitable for either hard or soft coal. Apply to L. W. SLEEP.

A couple of bicycle girls of about forty summers who were in town last week attracted considerable attention because of the picturesque and brief costumes they sported. The fair ones had a good many cameras levelled at them.

We observe that a valued exchange has adopted the phonetic system of spelling. Its rendering of Parrboro is "Parrboro." The journal in question has always been a rather bold innovator both as regards spelling and construction.

Money to Loan on Real Estate, straight loan or on instalment plan.—A. V. PINCO, Barrister, Wolfville, N. S.

Mr Fraser, of Boston, has for several days been the guest of Mr and Mrs W. C. Archibald, of this town. Mr Fraser is a very fine pipe organist, and on Tuesday afternoon last he and Mr J. A. Thomson, violinist, gave a private recital in the Baptist church. We are informed that the programme given was a most delightful one.

An ACADIAN representative called in at Mr R. E. Harris' store yesterday and was shown an elegant line of souvenir china which was just being opened. It consists of cups and saucers, plates, sugar-dishes, pitchers, pin-trays and a number of other pieces each bearing in a pretty design some scene from the Evangeline country. The goods are the prettiest of the kind we have seen and will no doubt be quickly sold.

Through the courtesy of Capt. Lewis of the tug Marina, a number of the members of the Divisions of S. of T., of Wolfville and Port Williams had a most delightful sail on the basin last Friday evening. The Marina is a trim and speedy little craft, and her genial commander did all in his power to provide a pleasant trip for his passengers. It is needless to say that he succeeded fully, and won the hearty thanks of all.
