THE ST. CROIX Manufacturing Co.

WE, the undersigned GROCERS of St. Stephen, the much pleasure in recommending to all dealers in Laundry Soaps, the product of the St. Croix Soap Manufacturing Co. Their "SURPRISE" specially as being superior to any other soap for General Laundry purposes as well as for the toilet. Our customers claim that it washes equally as well in cold water as other soaps do in the old way by boiling; saving its cost in fuel alone, also the disagreeable results from boiling, filling the house with steam, &c., and we believe that it is well deserving the name it bears,

Ayer's Sarsaparilla has had in his case. I think his blood must have contained the humor for at least tem years; but it did not show, except in the form of a scrofulous sore on the wrist, until about five years ago. From a few spots which appeared at that time, it gradually spread so as to cover his entire body. I assure you he was terribly afflicted, and an object of pity, when he began using your medicine. Now, there are few men of his age who enjoy as good health as he has. I could easily name fifty persons who would testify to the facts in his case.

Yours truly, W. M. PHILLIPS.

Ayer's Sarsaparilla.

Six months ago I was completely covered with a terrible humor and scrofulous sores. The humor caused an incessant and intolerable itching, and the skin cracked so as to cause the blood to flow in many places whenever I moved. My sufferings were great, and my life a burden. I commenced the use of the SARSAPARILLA in April last, and have used it regularly since that time. My condition began to improve at once. The sores have all healed, and I feel perfectly well in every respect—being now able to do a good day's work, although 73 years of age. Many inquire what has wrought such a cure in my ease, and I tell them, as I have here tried to tell you, AYER'S SARSAPARILLA. Glover, Va., Oct. 21, 1882.
