CONSUMPTION
CAN BE CURED

IS A FACT ATTESTED BY THE HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of **Scott's Emulsion of Cod Liver Oil with Hypophosphites of Lime and Soda** will accomplish this result. This preparation has all the virtues of these two most valuable specifics, in a form perfectly palatable, and available to the most delicate stomach, and we make the unqualified statement that **Scott's Emulsion** is being used with better results and endorsed and prescribed by more physicians for consumption and the diseases leading to it, such as chronic coughs, Bronchitis, Neuritis, Anemia, General Debility and the Wasting Disorders of Children, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet is truly marvellous. See What Physicians and the People Say About It.

Messrs. SCOTT & BOWNE: 66 West Thirty-sixth Street, New York, September 2, 1876. GENTLEMEN,—I have frequently prescribed SCOTT'S EMULSION OF COD LIVER OIL WITH HYPOPHOSPHITES during the past year, and regard it as a valuable preparation in scrofulous and consumptive cases, reliable and efficacious.

Messrs. SCOTT & BOWNE:—Gentlemen,—Within the last year I have used in my own family, and in my private practice prescribed SCOTT'S EMULSION OF COD LIVER OIL WITH HYPOPHOSPHITES, and found it a most valuable preparation, especially in cases of children. It is agreeable to the most delicate stomach, which renders it a very valuable agent as a nutritive remedy in consumptive and scrofulous cases. Oct. 12, 1879. Yours respectfully, A. H. SUTTON, M. D., Baltimore.

Messrs. SCOTT & BOWNE:—Gentlemen,—Within the last two months I have fairly tried SCOTT'S EMULSION OF COD LIVER OIL WITH HYPOPHOSPHITES, and I can truly declare that it is the finest preparation of the kind that has ever been brought to my notice in any of the affections of the lungs and other wasting diseases, we can consider it our most reliable agent, in a perfectly agreeable and elegant form. December 20th, 1878. Yours truly, J. SIMONAUD, M. D., New Orleans, La.

Messrs. SCOTT & BOWNE:—Gentlemen,—In September, 1879, my health began to fail and my physician pronounced it almost hopeless, unless he case I got one relief from rain, but my general health did not improve, in early in the winter I began to cough and rapidly grew worse. In May last I was taken with a violent bleeding, which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, such as night sweats and short breath, and a very bad cough. My physician stopped the bleeding and then ordered Cod Liver Oil. I used various preparations, but they did me no good. I tried all kinds of it and was satisfied of its utility. Last September I purchased a bottle of your Emulsion and I have taken it ever since. I afterwards bought a dozen bottles, with the following results:—Cough subsiding, night sweats ceased, appetite returned, pains in some organs ceased, strength returning, and my weight increased from 110 to 140 pounds in six weeks. I have taken no other medicine since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet some friends on the street who ask, "What cured you?" and I answer, "SCOTT'S EMULSION OF COD LIVER OIL." I have a friend who has not spoken aloud for 15 months, and he is getting better. I gave him a bottle and he coughed two or three times a day, and he is now able to walk and am getting flesh and strength rapidly. I have advised other parties to try it, and some two or three have already tried it. I am sure I shall entirely recover. I had do all I can to make known your valuable medicine. H. F. SLOCUM, Lowell, Mass. January 10th, 1879. Very truly yours LYNN, Randolph Co., Ind., July 2, 1876. About the 15th of April I got a bottle of your Emulsion and at that time I was so distressed, that no one who saw me thought I could live longer than a few weeks at most. I could eat nothing on my stomach and was literally starving. I commenced the use of the Emulsion in small doses; it was the best thing that would do for my stomach. I continued its use, gradually increasing the dose; and from that hour I commenced mending, and am now able to ride and walk, and am getting flesh and strength rapidly. I have advised other parties to try it, and some two or three have already tried it. I am sure I shall entirely recover. I had do all I can to make known your valuable medicine. R. W. HAMILTON, M. D.
