Dock Employees Resume Work This Morning

John Babb of Carbonear and Another Killed in Glace Bay Mine—Henderson's Comments on Peace of Versailles Unauthorized—Plea of Insanity in Delorme Case Dismissed—Promoter of Dome Transactions Involves McAdoo in Another Scandal.

TWO MINERS KILLED AT GLACE BAY.
SYDNEY, N.S., Feb. 25. The lives of two miners, John Babb, a native of Carbonear, Nfld., and Daniel MacDonald, of Louisburg, were snuffed out without a moment's warning at Victory Mine, No. 24, Glace Bay, this morning, when shortly after the men entered the pit to begin the night shift, a piece of rock, eight feet long, seven feet wide and two feet thick, fell from the roof crushing the men and causing instant death. The accident was discovered by other miners who had occasion to pass the place where the deceased had been at work. Both men had been working in the mines for over a year and were practical miners. The remains of John Babb will be forwarded on the next trip of the steamer Kyle. An inquiry will be conducted into the accident to-morrow.

DOCKERS RESUME WORK THIS MORNING.
LONDON, Feb. 25. The conference of dock workers to-day called off the dockmen's strike which has been in progress since February 14, seriously interfering with commerce and industry. The work will be resumed at all ports at 7.30 o'clock to-morrow morning. The strike was primarily over the question of wages, and in the negotiations of last week the employers and representatives of the men reached an agreement for an advance of one shilling a day, effective immediately, and an additional advance of a like amount to take effect next June, with the appointment of a committee to adjust working conditions in dispute. This agreement had to be ratified by the men and mass meetings were held all over the British Isles yesterday at which the terms of settlement were generally approved.

HENDERSON'S SPEECH UNAUTHORIZED.
LONDON, Feb. 25. Premier MacDonald stated in the House of Commons to-night that the Government has no immediate intention of revising the Treaty of Versailles, as Arthur Henderson, Secretary for Home Affairs, had intimated in a speech on Saturday evening. This statement was drawn from the Premier by Mr. Lloyd George. He made it clear that Mr. Henderson's declaration was made on his own responsibility and did not represent the declaration of the Cabinet.

MCADOO INVOLVED IN A SCANDAL.
NEW YORK, Feb. 25. The disclosure has been made through the New York World that William Gibbs McAdoo's law firm was to receive a fee of a million dollars from Edward L. Doherty if he succeeded in bringing about an arrangement of the Mexican situation

satisfactory to the oil magnate. McAdoo is a candidate for the Democratic Presidential nomination.

NO COMPROMISE WITH MOSCOW POSSIBLE.
NEW YORK, Feb. 25. British recognition of the Soviet Government is an act hostile to democracy, an act that the British Government and the British people will never, in the opinion of Samuel Gompers, President of the American Federation of Labor, who, in a communication to the Brooklyn Daily Eagle has made public for the first time his stand on this matter. It is not possible to compromise in any way whatever with the autocracy of the Moscow Communist regime, Mr. Gompers' statement said. Every compromise is to some extent a victory for the Soviets and consequently a loss to the forces of democracy.

PREPARING THE REPORT.
PARIS, Feb. 25. The Committee of Reparation Experts, headed by Erigadier General

Charles G. Dawes, began to-day its final task of preparing the report to the Reparation Commission. The opinion in Reparation circles is that this crisis will require more time than had been anticipated because of the anxiety of the experts to frame a plan which will require no revision.

TURNED OVER TO JUGO-SLAVIA.
SUSAK, Jugoslavia, Feb. 25. Porto Barro Delta was turned over to Jugoslavia authorities yesterday by the Italians in accordance with the Fiume Treaty. The Mayor of Susak previously had requested the population to decorate their houses as a sign of mourning for the loss of Fiume. They were instructed, however, to make no untoward demonstrations.

SANITY PLEA DISCUSSED.
MONTREAL, Feb. 25. The motion by Gustavo Monette, Counsel for the Curator of the Delorme estate, that the sanity of the Rev. Abbe Delorme be enquired in-

to, was rejected by Mr. Justice Martineau, when made at the opening of the trial of the priest this morning in the Court of King's Bench for alleged murder of his half-brother Raoul, in January, 1923. The Judge said the Lieut-Governor of the Province had a right to order any man committed to stand trial if he had become sane again. This had been done, and he say no reason why Mr. Monette's request should be granted.

DELOIRIE TRIAL PROCEEDS.
MONTREAL, Feb. 25. The dismissal of insanity plea, the swearing in of the jury in less than twenty minutes, record time for a murder trial, the account of the Crown's version of the case by Crown Prosecutor Calder, and the hearing of two witnesses, were the salient features of the trial of Rev. Adelard Delorme, which re-opened for the second time before the Court of King's Bench here to-day, Mr. Justice Martineau presiding. The accused, appearing calm and cool, pleaded not guilty in a loud, clear voice.

THE MEXICAN SITUATION.
VERA CRUZ, Feb. 25. The military situation in this zone remains stationary, from last week. The Federals are busy chasing Rebel bands, having postponed the advance on Jalisco. Small bodies of Insurrectionists are reported to have surrendered at Oriental and Sierra Blanca.

REBEL DEFEAT.
VERA CRUZ, Feb. 25. Rebels lost 150 dead and three rebel chiefs captured, court martialled, and executed, when General Anaclo Lopez defeated a revolutionary command to-day at El Del Marcho, in the State of Vera Cruz. Two Rebel officers were killed.

CIVIC DEMONSTRATION TO WELCOME INTERNATIONAL CHAMPION.
ST. JOHN, N.B., Feb. 25. Charlie Gorman was welcomed home from the United States skating events by a crowd of 10,000 this afternoon and escorted to the Hotel where other circuit skaters who arrived earlier in the day are staying while here for the international indoor meet to be contested this week. Mayor Fisher and the City Commissioners formally welcomed Gorman at the train. Now that Gorman has achieved his life-long ambition in winning the international title, he will retire, realizing that he must settle down to business and look forward to the future.

Large Audiences Praise "One Exciting Night"

The Majestic Theatre added another record last night when D. W. Griffith's best mystery story held the interest of large audiences without "Zylos" won new laurels in their rendition of a series of musical numbers which evoked repeated encores. The five piece orchestra, an added attraction, was a fitting climax to one of the best offerings seen for many a day in the local theatres.

"One Exciting Night," a United Artists release, is a mystery drama, with just enough comedy to relieve a tense situation when the plot begins to thicken. White Mr. Griffith has departed from the heavy and spectacular, he has produced a picture that will live among the immortals of the silver screen. It is one of the best photoplays ever shown and a well balanced cast of character, which is headed by Miss Carol Dempster, who shares the honors with Henry Hull. The cast includes Porter Strong, Morgan Wallace, C. H. Crocker-King, Miss Margaret Dale, Frank Sheridan, Frank Wundtler, Miss Grace Griswold, Miss Irma Harrison, Herbert Stutch, Percy Carr and Charles T. Mack.

The producer has left nothing undone to make the picture a real thriller. Spooky lands, secret panels, shadows and darting figures all have their play, while Porter Strong and Miss Harrison, playing servant, are humorous throughout. Just before the identity of the mysterious villain becomes known there is a storm scene, which is about the most realistic ever produced on the screen.

When the man of mystery is exposed all the patrons gasp, and so will you, if you go to the Majestic Theatre.

Thinly sliced hard boiled egg served on a lettuce leaf with tartare sauce makes an excellent appetizer.

Shrimp fritters are unusually good when flavored with a little Chinese soy, which can be purchased at a Chinese shop.

Sensible People
In all walks of life have for a long time used Beecham's Pills, which enjoy great popularity. They are reliable and contribute to the maintenance of health. When you suffer from indigestion, biliousness or constipation.

No Secret About It

A social worker with somewhat more enthusiasm than tact went to call upon Terrence Shea, night watchman, at his home. "I hope, Mr. Shea," she said, "that you do not squander your money in liquor and riotous living. I'm trying to interest the people of the neighborhood in the new savings bank which has just been started. May I ask where you deposit your wages?" "I'd just as soon tell ye as not," replied Mr. Shea. "'Tis \$25 a week I

make. When I've paid the rent, the provisions and the grocery bill and the milkman, and bought what's needed for Maggie an' me five children, I deposit the rest of the money in barrels. Mostly, ma'am, I use sugar barrels. They're bigger an' hold more. But when I can't get them I makeshift with plain flour barrels."—Success.
