

EVIDENCE FROM TORONTO.
SKIN DISEASE CURED!
(Toronto, C. W., July 4, 1864.)
Messrs. B. H. Wood & Brother, Druggists—
Gentlemen,—I deem it necessary to acquaint you with the benefits I have derived from using Bristol's Sarsaparilla, which I purchased from you. I was afflicted for some months with an affection of the skin, which caused me great pain; my face also was covered with a dreadful eruption. After using a number of bottles of other medicines, without any visible effect, I was persuaded to try Bristol's Sarsaparilla. After taking one bottle the good effects of the Sarsaparilla was apparent, I persevered, and after taking five bottles was perfectly cured. You have my full permission to acquaint the proprietors of this valuable medicine with the great benefits I have derived from it.

What is the healthy, worldly man's ambition—Wealth, Wealth, Wealth. And what is the poor invalid's—Health, Health, Health. 'Tis true, gold is more compared with health. Take care of it, but if you have already lost it from disease of the Throat, Lungs, Liver, Kidneys, or Digestive Organs, &c., remember that there has never been heretofore a medicine that could relieve you from the great Shonobee Remedy for the radical cure of those diseases.

INDIA & CHINA TEA COY.
Home Depot at London and Liverpool.
Canada Depot, 23 Hospital Street, Montreal.

THE India and China Tea Company beg to call the attention of the Canadian community to their directly imported Teas, which for purity and excellence will be found unequalled.

The Company have made arrangements whereby they have secured the entire production of the finest plantations in Assam and on the slopes of the Himalayas, and by a judicious blending of these magnificent Teas with the best varieties of China produce, they are enabled to offer to the public Teas of quality and flavour hitherto unknown to the general consumer. These Teas are in high favour in England and France, and a single trial will prove their superiority.

The Company supply two qualities only, either Black, Green or Mixed. Their Black Teas will be found to possess great brightness and flavour, combined with colour and strength, and to be entirely different to the first and grand article usually sold as Black Tea; while their Green Teas are altogether free from the deleterious mineral powder so commonly used for coloring purposes. PRICES: Rich, full-flavoured Tea, for family use a real genuine and fine article 70 cents per lb. Finest quality procurable, one dollar per lb.

The above can be had either Black, Green or Mixed. To be had in packets of Quarter Pound Half Pound, One Pound, and upwards, or in tin canisters of 5 lbs. and upwards, from the Company's Agents in all the chief towns of Canada—N. B. All the packages are lined with tin foil paper, and the Tea will consequently retain its flavour any length of time.

OSWEGO.—All packages have the Company's trade-mark, without which none are genuine.
