WESTERN ONTARIO.

BRANT.

On Saturday afternoon a serious accident
occurred at the building of a carriage shed
behind the St. Thomas Street
Methodist Church, near Brantford. A
number of men were engaged on the roof
of the building when it gave away, pre-
cipitating three men to the ground. Ed-
ward Brister had one ankle broken and
the other one put out of joint. James
Marsh had a serious injury to the spine,
and Thos. Ridley had his head and arms
severely bruised.

BRUCE.

John Kennedy, of Ripley, caught a
young lad tapping his till Friday evening.
He was taken before Justices of the Peace
H. P. Chapman and Peter McDonald. The
case was settled.

ELGIN.

Mr. Newton, mail clerk on the G. T. R.,
from Warrington to Stratford, is about to
move his family to Warrington.

ST. THOMAS.

P. Hoffman, St. Thomas, an M. C. R.
brakeman, had his collar bone broken by
being caught between the cars while
coupling at Victoria.

A severe hailstorm passed over a large
district west of St. Thomas on Friday after-
noon. At Rodney and Taylor some of the
hailstones were larger than walnuts. Much
damage was done to the crops, windows
broken, poultry killed and thousands of dol-
lars worth of fruit of all kinds is lost. A
dispatch says that all the crops along the
town line between Orford and Aldborough
for over seven miles and almost a mile wide
are destroyed.

W. A. Phillips, B.A., has been appointed
English master of the St. Thomas Collegiate
Institute.

Hortop, liverman, St. Thomas, has
purchased from D. Fraser the blacksmith
shop and lot facing on Talbot and South-
wick streets, and south of Duncombe's
store, for \$3,500. The lot has a frontage
of 33 feet on the former and 87 feet on
the latter. Mr. Hortop intends to build a
large brick livery stable this fall.

Dr. Bell, of Victoria College, Cobourg,
formerly assistant master of the St. Thomas
Collegiate Institute, has been appointed by
the Minister of Education chairman of the
department of classics in the departmental
and matriculation examinations and mem-
ber of the appeal committee.

An infant child of Mr. Lang, who is em-
ployed by Dr. Teskey, at the Kains farm,
fell off a sofa and broke both bones of the
right arm, between the wrist and elbow.

An excursion to Toronto will be run on
the St. Thomas civic holiday, on Aug. 18.
Hubert's grove was purchased by the city of
St. Thomas for a public park, was formally
opened on the occasion of the picnic of the
Grand Trunk loop line employees on Friday.

One of the children of John Hales, of
Malahide township, drank a quantity of
Paris green a few days ago, but prompt
measures saved him. A child of Milton
township, of the same township, fell into
a cistern and narrowly escaped drowning.

George Jones, of Attlebridge, who was
rushed by the wheels of an M. C. R.
train at Catfish Creek on July 2, and
who had to have amputation of his right
foot at the ankle, his left leg below the
knee and his left hand performed, has so
far recovered that he was removed from the
Railroad Hospital on Saturday to the resi-
dence of his sister, Mrs. Quinby, at Ridge-
town.

Wm. Ayratt resided near Talbotville
previous to seven years ago, when he re-
turned to Palerone, in Halton. On Friday
he died, aged 75, after an illness of a fort-
night. He leaves a wife, six sons and six
daughters. The sons are William and
Alfred, Minnedosa, Man.; Henry O. D.,
Clare, Man.; Rev. J. A., who was on the
Dorchester circuit of the Methodist Church
last year, and will attend college this year;
Horton and James, at home. The daugh-
ters are Mrs. Frank Bennett, Talbotville;
Mrs. J. E. Rooney, South Bend, Ind.; Mrs.
W. J. Norworthy, of this city; Mrs. Wm.
Calvert, Talbotville; Miss Minnie, at home,
and a married daughter at Port Rowan.

James Considine, of Detroit, well known
in Essex, was taken to Marquette, Michi-
gan, about two weeks ago and convicted of
the burglary of the Calumet postoffice and
sentenced to five years in the Detroit
House of Correction. On the way down
an attempt was made by Considine's friends
to rescue him from the hands of the officer
in charge.

Herbert Brush has sold the west quarter
of lot 14 in con. 4, Colchester South, to
Joseph McCarthy, for \$1,800. Susan Mc-
Carthy sold an acre and a half on the 4th
to Herbert Brush for \$300.

Chas. Bell has sold the Oliver Lonsbury
farm of twenty acres of lot 67 in con. 1,
Colchester South, and 23 acres adjoining to
Frank N. Donnadieu, of Detroit, for
\$2,400.

The contracts have been let for the Long
Marsh and Richmond drains in Colchester
South. Edwin Lockwood secured that part
of the Long Marsh in Malton at \$2,965;
George Heaton obtained the part of the
Long Marsh in Colchester South at \$1,250,
and Christian Sorenson has the Richmond
outlet at \$1,550.

Cord Fagan, of Kingsville, had the mis-
fortune to run a chisel into his knee while
working on Wednesday, making a some-
what serious wound. He will be laid up
for a time.

Richard Keyes, the younger, of Windsor,
is in trouble again, having been arrested on
a charge of taking papers from the post-
office.

Wm. Barclay, for carrying firearms, was
fined \$24 on Saturday by P. M. Bartlett at
Windsor.

The saloon-keepers of Essex county have
been warned against selling intoxicants to
George Drysdale. The objector is Joseph
Barringer, his father-in-law, proprietor of
the International Hotel at Windsor.

John Drake, Windsor, is holidaying at
Kingsville with his family and a lot of other
Windsor people. Jack Denver is there too.
Jack is one of the most intelligent donkeys
living, being a gift from the Rockies to the
Little Drakes from a distant friend. His
musical talents are mighty, the higher notes
being a specialty. The orchestra at the
Mattawash Hotel is losing cash since his
introduction, for Jack is equal to a whole
band and the dog under the wagon. He
is used as an alarm clock by the tenters,
and at 5 a.m. daily every one within a
radius of four miles is reminded that day
has dawned. Jack is greatly appreciated,
and a petition is being signed to have him
placed by the Government at Point Pelee
to be used there as a fog horn. (Great in-
direct, is John Drake's Jack Denver.)

A number of Windsor merchants will
decorate on a grand scale for the G. A. R.
encampment. It is reported that a Detroit
company will erect a grand stand near
Walkerville to be used on the evening of
the fireworks.

The Windsor Baseball Club are con-
templating a trip through Western Ontario.
The club has not been defeated this season.
The volunteer companies have each re-
ceived their grant of \$50 from the county.
The Leamington Post will print the Do-
minion voters' lists for South Essex. The
Citizens' Car Company will pipe gas
to Leamington. So says Secretary
Copus.

John Curry & Co. on Saturday sold three

lots on Curry avenue for \$900, and a house
and lot on Pollock street for \$900.

REMY.

Last autumn the magistrate sent John
Farrell to the Central for six months and the
other day the exile arrived in Chatham. He
had no sooner arrived than he went on a
spree and was soon in the care of the police.
He told the magistrate to give him a term in
jail and offered to go over the creek without
an escort. His worship, however, took the
precaution to have him attended to Castle
Mercer.

Wm. Whitehead, Wallaceburg, has the
contract to build the Moravian bridge.
The wardens has called a special meeting
of the Kent county council for Aug. 4.
Matters in connection with the J. Sannette's
creek bridge and the treasurer's office seem
to necessitate the meeting.

Devere Fuller, Wallaceburg, who has
been holding a good position in a railway
office in Syracuse, N.Y., has returned
home, and will, in the course of a few
weeks, go to Omaha, Neb., where he has
secured a position as manager of a large
shortland school.

Wallaceburg is too lively a town to be
without a band any length of time. The
players in a new band are: Ch. E. Ayres,
Fred. Cummer, J. Cochran, Chester Mc-
Dougall, Silas Dawson, Theo. Leroy, E. E.
Parker, J. W. Waugh, A. J. Vining, J.
Bouckill, Thos. Harrison, B. Bouckill, O.
Allen, W. Purser, Carl McDougall, Joseph
Delong, bandmaster, Ch. E. Ayres; drum
major, Hugh Blake. Their first engage-
ment will be on the Tenthof & Gordon
employees' excursion to Detroit on Aug. 3.

County Treasurer Shambles and Warden
Gillard are in Toronto this week trying to
effect a settlement between the Ontario
Government and the province of Kent. It
is claimed the Government are indebted to
the country to the extent of \$15,000.

Wm. Plummer, the Chatham forger who
is under arrest at St. Clair, and who is
fighting extradition, was given a hearing
before Judge Mitchell, of Port Huron. He
acknowledged uttering the forged notes,
but denied writing them. He further ad-
mitted that he knew they were false notes,
but said that he thought there was no
punishment for that crime. A man named
Plumie, of Chatham, is also under arrest as
an accomplice, and has been committed for
trial.

PERTH.

Two trains of 22 cars left Stratford on
Saturday morning for Sarnia in connection
with the annual G. T. R. employees' ex-
cursion. Nearly 1,200 tickets were sold. Be-
sides the Grand Trunkers many citizens
took advantage of the excursion for a day's
outing on the Grand Trunk.

J. C. Palmer, with the North American
Mill Building Company, Stratford, had the
forefinger of his right hand injured in such
a manner Saturday morning as to neces-
sitate its amputation. He was sawing a
board in two with a circular saw, when the
board broke and came in contact with the
saw. The thumb was also badly cut, but
will not have to be amputated.

Walter E. Buckingham, son of Wm.
Buckingham, Stratford, has been chosen to
go to England with the "All America"
football team, and expects to sail on Aug. 9.
This young man is a brilliant one on a
football field as he is on examinations.
There is a story told about him that he was
severely scolded by his father for devoting
so much time to athletics, and a week later
the Toronto papers announced that he had
won the Blake scholarship. He can play
as much football as he likes now.

J. C. Page for many years the trusted
and popular county clerk of Welland
county and now an addition to the popu-
lation of the American city of Buffalo, owing
to a slight misunderstanding as to the dis-
position of certain moneys entrusted to his
care, is anxious to return to this side, but
just now that is rather a risky thing to do.
Mr. Page, who wants to compromise, offers
to contribute \$500 at once, and \$200 per
annum thereafter until his indebtedness
has been liquidated.

Wm. Young, of Galt, and Mrs.
Young, are spending a few days at Ottawa,
stopping at the Grand Union. They are on
their way to the seaside.

Canon J. C. O'Connell, Independent Order of
Obedience, of St. Thomas, will take part
in the big demonstration at Galt this
week.

Two or three small boys in Galt got hold,
by some means, of one of the cartridges
used in blasting by the waterworks men.
The result of their investigation of its con-
tents was that it exploded. One of the boys
was unfortunate enough to have a finger
split open, while the other two were burned
black with powder, and the skin punctured
with the play or whatever it is that is mixed
in with the explosive.
