G. T. R. TELEGRAPHERS

Impression at Montreal That Increase Has Been Refused.
Montreal, June 4. — D. Campbell, of the railway telegraphers, left for Ottawa early yesterday morning. He would say nothing about his second interview with Mr. Hays, and the Grand Trunk is equally reticent. It is the impression at the railway offices that the general manager gave a final refusal to demands of the telegraphers, alleging the present depressed state of earnings as making any increase impossible. The matter is considered to be now in the hands of the labor department.

In some ways it would be better if there were no possibility of self-deception, but it would be much harder to supply the tenor parts in volunteer church choirs.
