Number of Changes Made by the Board of Works-Land for Sale.

The board of works had a busy though brief session last night, and covered a great deal of work. Chairman Forristal presided, and Ald. Gartatt and Gerry, Secretary Bell and Engineer Graydon were present. A petition was presented by Mr. Alex Purdom from a number of resident of King street between Waterloo and Burwell, asking that the engineer have the pavement laid in the two blocks at least 30 feet wide The narrowness of the street at this point caused great inconvenience, and there was always great liability of danger from it. The petitioners were granted their request.
