"There has been so much talk about my stomach," he explained, "that I wanted to see for myself about it. I guess if I am to take off any more stomach it will have to come from the inside. I don't want my muscles too hard, and for the rest of the time here I'm going to work to keep them soft."

Jeffries seems to feel he has stood the test of his conditioning work, and that he will be in excellent shape to meet Johnson. The reason Jeffries is letting up on his boxing is that his thumb, which he will be in excellent snape to meet Johnson. The reason Jeffries is letting up on his boxing is that his thumb, which he strained in a bout with Joe Choynski several days ago, continues sore and bothers him. It is much improved today,

GOVERNOR CALLS FIGHT "FRAME UP"

Black Champion Is Slated to Box California Executive Says It Is Warwick and Muff Stumbled Fixed to Let Jeffries Win.

BUT HE WONT STOP IT

"White Man Was Assured of Victory Before Agreeing to Enter Ring," Declares Gillette

Chicago, June 2.-"I think the Jeffries-Johnson fight is a frame-up, and that Johnson has no chance to win, and doesn't expect to win.

"I am convinced that Jeffries was assured that he would be the winner before he consented to re-enter the game, and that Johnson has been offered, and has agreed to accept a big sum and an interest in the moving pictures.

the white man's burden, he had too much to lose in prestige to take a chance on defeat. "I am not going to interfere. The law

ram not going to interfere. The law permits these bouts, the board of supervisors have granted a permit, and that ends it, so far as I am concerned. I could stop it if there was likely to be a riot, but I believe there is no chance of that; for, as I have said, I think that has all been arranged in advance."

Butwell Broke His Nose, But Davis Escaped Injury-Accident in Homestretch.

Gravesend, N. Y., June 2.—Jockey Fred Langan, mounted on Stalwart Lad, was instantly killed today when his mount fell on the home stretch turn in the closing race.

The race was for 2-year-olds at 5½ furand that Johnson has been offered, and has agreed to accept a big sum and an interest in the moving pictures receipts to let Jeffries win and thus throw the championship back to the white race."

Gov. J. N. Gillette of California thus expressed himself concerning the heavy-weight championship fight which is to take place in San Francisco on July 4. Gov. Gillette was seen at the Congress Hotel, where he stopped over on his way home from Washington. The governor did not mince his words.

"I be race was for 2-year-olds at 5½ furlongs, and 13 horses faced the barrier. The start was good and the field went off in a close bunch to the stretch turn, where Warwick. Butwell up, stumbled and fell. Muff, Davis riding, stumbled and fell. Muff, Davis riding, stumbled was Langan on Stalwart Lad. He turned a complete somersault over the prostrate forms of the two horses, and his mount fell on top of him, killing him instantly.

When the big crowd saw Warwick fall a cry of dismay and horror went up that was immediately followed by another when Muff and Stalwart Lad

the ring again, in my opinion, unless he was assured in advance of victory. Jeffries doesn't need the money, and while he may be patriotic and willing to bear the white man's burden, he had too much to lose in ward. was picked up, and Langan never moved. Butwell broke his nose, but Davis escaped uninjured.
