OTTAWA REJECTS **NEW BANK PLAN**

House Votes Against Proposal To Investigate Central Banking Plan.

VOTE IS 109 TO 32

Ottawa, July 2.—By a vote of 109 to 32, the House of Commons, just before midnight, rejected the report before midnight, rejected the report of the select standing committee on banking and commerce seeking the enlargement of the scope of the committee to include the investigation of "some type of central or federal type of central manager of the Bank of Montreal, in opposition to the proposal for the establishment of a central reserve bank in Canada. Sir Frederick had said that there was no necessity for such a bank at present.

bank system in Canada."

The vote came after an all-day debate, in which the support of the report and of the idea of a federal reserve bank came chiefly from the Agrarian members. Of the Conservatives, only Leon Ladner (South all-bank lates the request was supply to consider and study the supply to consider and study the Elgin), were the only Conservatives to vote for the report when the approved of Hon. J. A. Robb's reso-

Referred To House,

deliberations. It had been decided to refer the question to the House.

The idea of a central reserve bank was not a new one. It had occupied the Canadian House of Commons tion on the workings of the system, it might be said to be superfluous. Hon. J. A. Robb said that this Since the formation of the Federal question had been pretty thoroughly

move was undesirable. He gave a much protection as the federal renumber of reasons why he thought the system as it obtained in the United States would not be suitable to the Canadian system of banking.

Sees No Necessity.

Sees No Necessity. Unsettled financial conditions were by no means peculiar to any one section of Canada. Mr. Vien said. The same economic difficulties which confronted the Western farmer also faced farmers all over the United States where a federal reserve bank was in operation. He pointed out that business organizations, other than banks, had suffered because of the shrinkage of financial credit

SIFTO free-running IODINE SALT lodine in salt is recommended b

medical authorities as a simple and effective Preventative of Goitre

Sifto Iodine Salt contains the correct percentage of iodine, as approved by the Ontario Provincial Board of Health, which does not change appearance or flavor of salt. Use on table and in cooking like ordinary salt.

MAGNESIA BEST FOR YOUR INDIGESTION

Warns Against Doping Stomach With Artificial Digestents.

Most people who suffer, either occasionally or chronically from gas, sourness and indigestion, have now discontinued disagreeable diets, patent foods and the use of harmful drugs, stomach tonics, medicines and artificial digestents, and instead, following the advice so often given in these columns, take a teaspoonful or two tablets of Bisurated Wagnesia in a little water after ents, and instead, to both the se of lumps, take a teaspoonful or two tablets of Bisurated Magnesia in a little water after meals with the result that their stomach no longer troubles them, they are able to eat as they please and they enjoy much better health. Those who use Bisurated Magnesia never dread the approach of meal time, because they know this wonderful anti-acid and food corrective, which can be obtained from any good drug store, will instantly neutralize the stomach acidity, sweeten the stomach, prevent food fermentation, and without the slightest pain or discomfort. Try this plan yourself, but pe certain to get pure Bisurated Magnesia especially prepared for stomach of fine at the shrine.

Train Windows

Special to The Advertiser.
Chatham, July 2.—Mysterious shots were fired at a C. N. R. train when within a mile of the station when within a mine of the station here last night on its westbound trip. Bullets shattered the windows of one of the coaches and narrowly missed E. C. Blackall, local Canadian express agent, and his wife (former Londoners), who were returning to the city from London. While police believe that the shots were fired at ran-dom by some persons fooling with firearms, the matter will be fully

vatives, only Leon Ladner (South simply to consider and study the Vancouver) and W. F. MacLean system and not to adopt it. (South York) supported the report.

These, with J. L. Stansell (East facilities for the country, and it was

division was taken. All the Lib-erals, and about half a dozen Pro-finance department from "an undergressives, including J. Fred Johnston, chief Progressive whip, voted hospital clinic where they might be treated for their ills."

Control Inadequate.

The finance department at present The chairman of the committee, did not constitute adequate control of banks. The credit of the Home Bank explained that the report embodied a motion made in committee, which as chairman he had been compelled to what was needed was an independent rule out of order because it was outside of the "orde; of reference" on which the committee conducted its banking system and make them work

before. If an enlargement of the scope of the committee was asked in order to permit it to collect informa-

Reserve Bank in the United States in 1910 a whole library of information ample information available on the subject had become available, subject, and forther research this and some of it already reposed in the parliamentary library.

If, on the other hand, the object of Shaw's reference to the necessity for the discussion was to form immediately a Canadian central reserve bank, then Mr. Vien thought such a finance act afforded Canadians as

the banks prosper, but they must not

than banks, had suffered because of the shrinkage of financial credit which he regarded as an aftermath of the war. He quoted evidence given by Sir Frederick Williams-Taylor, a banking system which that country would not change for any system of

private banking in the world.

Banks should not be allowed to issue their own notes. Because of a feeling of confidence in provincial savings banks the provincial banks had done very well. Mr. MacLean regretted the limitations placed on the gretted the limitations placed on the ostoffice savings branches.
G. G. Coote (Progressive, MacLeod)

supported the report. He quoted at length the opinions of experts on the beneficial operation of the Federal Reserve Bank in the United States, and expressed the conviction that anada would derive as much benefit H. Marler (Liberal, St. Lawrence-

St. George) said that the unit system obtaining in the United States was so different from the Candian system of branches that a system which succeeded with the one would not succeed with the other. Canada had right to be proud of its banks and system, he said, replying to Mr. Shaw's observations on credit, proed the most elastic system of

As for bank failures. Mr. Marler said there were many more failures

in the United States. Attacks Robb

W. C. Good (Progressive, Brant) rgued that a central bank was argued closely related to the protection of depositors. The safety of deposits, he said, was greatly influenced by recurrent inflation and deflation and the fluctuation of price levels. A central bank would make possible a their attendant perils in the banking world. In the debate this afternoon the acting minister of finance had Be sure to ask the druggist for the double strength Othine as this strength is sold under guarantee of the acting minister of finance had apparently taken the ground that the double strength is sold under guarantee of commerce committee even the right

> Mr. Good thought it time Canada changed its "Rip Van Winkle policy" and abandoned the systems of twenty years ago in the management of its banking and community credit. a change was not made there ould be in the future very un-

> E. J. Garland (Progressive, Bow River) wished to emphasize the statements made by Mr. Good. William Irvine (Labor, Calgary East) said that he was not certain that a central reserve bank would solve all our financial problems, but he was certain that it was worthy of
