MISS M. E. MISNER WILL

Representative From Department of Education Seeks London's Health Record.

Miss M. E. Misner representative of the demonstration staff of the school health division of the department of education, has come to London to begin a survey of the health institutions of the city, particularly the work carried on in the schools. This department has no jurisdiction over such independently run organizations as the Child Welfare Association, the Victorian Order and similar organizations, but they are included in the survey, in order to give the department of health an idea of the amount of work for health

accomplished in London.

The object of the department is to have at headquarters a complete record of all the organizations and methods used in the province to promote health. And this it hopes to acquire by means of such surveys London. Miss Misner will spend several weeks in the city.
