SIR CHARLES WILSON.

Career of the New President of the Grand Trunk Railway.

The new president of the Grand Trunk Railway, Sir Charles Wilson, is a very distinguished English financier, and will no doubt do much in the way of putting the finances of the railway on a sound footing.

SIR CHARLES WILSON.

Canal. Sir Charles in 181 was appointed a Royal Commissioner for the negotiation of a treaty of commerce with France. Last year he devoted four months to the inspection of the Central Pacific Railway, on the affairs of which company he issued an elaborate report.

Now is the opportune time for anyone desiring a pair of fine boots to visit Guisane Bros., 215 Yonge-st., who, by their established energy and enterprise, have established the largest shoe business in Canada.

THE KIEL CANAL.

Warships Gathering for the Opening Ceremonies on Friday—Fears for the Banks Caving In.

Berlin, June 17.—The coming gales at Kiel to celebrate the opening of the Baltic and North Sea Canal are the principal topic of interest at present, all other questions being relegated to the rear for the time being.

The celebration may be said to begin on Friday next, when it is expected that not less than 27,000 sailors will be assembled on the German and foreign warships that are to be present on the occasion.

Several floating postoffices will be among the warships, and a fleet of steam pleasure yachts will be present. The press steamer will not be in the procession, and the newspaper reports have strongly criticized the arrangements made on their behalf.

One of the contracts made with a Hamburg firm for providing the foreign crews calls for 2 daily supply of 14 tons of fresh meat, 2000 bottles of wine, 2000 bottles of spirits, 10,000 bottles of beer, 6000 gallons of beer in barrels and 2000 gallons of milk. This is in addition to the regular rations of the crews.

Several floating postoffices will be among the warships, and a fleet of steam pleasure yachts will be present. The press steamer will not be in the procession, and the newspaper reports have strongly criticized the arrangements made on their behalf.

A LADY WHO DREADED INSANITY! TERRIBLE SUFFERINGS FROM A COMPLICATION OF TROUBLES.

Paine's Celery Compound Effects a Complete Cure.

Note well the list of terrible troubles that brought Mrs. A. Legault of St. Andrew, Montreal, to the verge of insanity. I would have been a lost woman had I not continued six months longer in suffering.

My case was a bad one. Headache, insomnia, nervous prostration and loss of memory made up my troubles, and I feared they would lead to insanity. I went to several doctors, who treated me with all their skill, but I did not get any better. My friends advised me to try Paine's Celery Compound.

PROTECTION AGAINST RUPEES.

Central American Republics to Again Form a Union. Managua, June 17.—The President left yesterday for Corinto to take the steamer which sailed for Anapuca, Honduras, where he will meet the Presidents of Honduras, Salvador and Guatemala.

SINKING OF THE ELBE.

Mate of the Crathie Found Responsible. London, June 17.—The Board of Trade, the court of final judgment, has rendered a decision upon the reports of the Lowestoft inquiry into the circumstances of the sinking of the North German Lloyd steamship Elbe through the collision with the British steamer Crathie, which was the responsibility for the disaster upon Mate Craig of the Crathie, who was in charge of the ship at the time.

THE TRIUMPH OF LOVE.

Every Man Who Would Know the Grand Truths of the Plain Facts of the New Bible should secure the Wonderful Little Book called "COMPLETE MANHOOD and How to Attain It."

Here at last is information from a high medical source that most work wonders with this generation of men. The book fully describes and tells them how to attain full vigor and manly power. A method is given to end all unnatural drains on the system.

To cure nervousness, lack of self-control, dependency, to exchange a faded and worn nature for one of brightness, buoyancy and power. To cure forever effects of excess, overwork, worry, etc. To give full strength, development and tone to every portion and organ of the body. A method is given to end all unnatural drains on the system.

The book is purely medical and scientific, uncolored by fancy, and invaluable to men of all ages. A despairing man, who had applied to us, soon after wrote: "Well, I tell you that first day is one I'll never forget. I just bubbled with joy. My old self had died yesterday and a new man had taken his place. I didn't see that I was a first-rate man until I read this book."

Notice is hereby given that a dividend of three per cent. for the current half-year of the paid-up capital stock of the Imperial Loan and Investment Company of Canada (LTD.), has been this day declared and the same will be payable on and after the 15th day of July next.

The transfer books will be closed from the 15th to the 30th inst., both days inclusive. E. H. KERTLAND, Managing Director, Toronto, June 8, 1895.
