The Tremble of old Age.
With the advance of years the vital func-
tions of the body slow down. In conse-
quence the organs of secretion suffer, the
action of the bowels are lessened and there
is no longer healthy circulation. The brain
is congested with blood, giddiness, trem-
bling and cold extremities are common. No
assistance is so potent as Dr. Hamilton's
Pills. By their direct action on the stom-
ach, liver and kidneys they cause an im-
mediate change. Mild, free from gripe,
strengthening and cleansing the whole sys-
tem, no medicine is so valuable in old age
as Dr. Hamilton's Pills of Mandrake and But-
ternut. Try these Pills, 25c. per box at all
dealers.

**Beware of Ointments for Catarrh
That Contain Mercury.**

as mercury will surely destroy the sense of
smell and completely derange the whole
system when entering it through the mucous
surfaces. Such articles should never be
used except on prescriptions from reputable
physicians, as the damage they do is ten
fold to the good you can possibly derive
from them. Hall's Catarrh Cure, manu-
factured by E. J. Cheney & Co., Toledo, O.,
contains no mercury, and is taken internally
acting directly upon the blood and mucous
surfaces of the system. In buying Hall's
Catarrh Cure be sure you get the genuine.

"Just as I Am."

A correspondent of the London Daily
Telegraph gives the following story of the
origin of the beautiful hymn, "Just
As I Am."
"A young girl was going to the town
to choose a new dress for a ball to which
she had been invited. On her way she
met the priest, and he said that she ought
not to go. However, she went on, got
the dress and went to the ball. The dear
girl did not enjoy the evening at all, and
went home miserable. Charlotte Elliott
(for that was her name) went to confess
to her priest all about it, and asked what
she should do. He advised her to go
home and tell Jesus all about it. "Just
As I Am?" she said. "Yes, just as you
are." She returned home, and on her
knees composed the lovely, heart-stirring
hymn, "Just As I Am."

**"How Shall I Know
I Have Kidney Trouble?"**
Hundreds of men and women are
asking themselves that question.
They are not well—and yet not
exactly ill. Doctors say—"all run
down—need a tonic." But tonics fail
to bring back health and strength. It
may be that your kidneys are affected.
Here's a simple test to prove it:—
Collect the urine passed in the morning,
in a glass vessel or bottle, and let stand 12
hours. If there is a reddish deposit—if the
urine is cloudy or milky—or if there are
floating particles or shreds—then assuredly
there is some serious derangement of the
kidneys.
Healthy urine stays perfectly clear.
"Bu-Ju" The
Gentle
Kidney
Pill.
clears up the urine. That's the
way you know that it is doing your
kidneys good. "Bu-Ju" reaches every part of the kidneys—
replaces the diseased tissues with strong, healthy membrane
—gives the kidneys the strength and power to properly
filter the blood.
"Bu-Ju" has thousands of cures to its credit, right here in
Canada, among people you know. 50c. a box. At all druggists.
