Lowe Brothers

Clean-Up Paint-Up

Let your home show the pride that is
within you. Plant flowers and grass seed.
Trim up the shrubbery and vines. Paint
your house with Lowe Brothers High Stand-
ard Liquid Paint.

You can always bank on the quality of the paint
bearing the Little Blue Flag trademark on the
label. It may cost a little more per gallon than
other paints, but it spreads further and easier, so
you'll save money at the start on both your ma-
terial and labor bills.

This paint also holds its color and lasts longer
than most other paints. That means you will not
have to repaint as often as formerly.

We will be glad to show you that the difference
between Lowe Brothers and other paints is more
than a mere difference of opinion. Ask for color
card and interesting literature.
