place thom on the roll of fame, high above all other families of trotters.

Directly descended through his sire, Edward Everett, by Rysdyk's Hambletoman (by Abdallah by Mambrino), from imp. Messikners, through his dam, by Long Island Black Hawk (by Andrew Jackson, by Young Bashaw), from imp. Andrik Grand Bashaw; and through his grand dam, by Secly's American Star (by American Star by Duroc), from imp. Diomed, he is more closely and immediately allied to the great trotting wonders of America, with the exception of Walkhill Chief, Ajax, and Artemus, full brothers, and of Socrates and Norwood, full brothers, and of Socrates and Norwood, full brothers, than anyother horse Now AT THE STUD, that we know of, either in Canada or in the United States. Add to this the Royal blood of imported Marward deals when the state of the blood of imported Margrave, deeply 11.bred to the great Henop, derived through the dam of his sire, and you have a combination of the lightest and purest types that may be equalled possibly, but cannot be excelled by that of any trotting sire in the world. And BLOOD WILL TELL!

TERMS: -830 the season, payable 1st Sept. next, or if preferred, \$50 to insure. Season will end 31st July.

All mares owned out of the Counties of Stormont, Dundas and Glengarry, must be paid for at the time of service or before removal. Marcs will be pastured or stabled carefully,
