OSTRICH FEATHERS

AT HOME

That is, on the Ostrich are curled by nature. We have taken nature as a guide in the artistic work of Feather Curling. As to Colors and Dyeing we think we can improve even on her work.

An Ostrich with a set of our Feathers would be a much prettier bird than one decked with nature's plumes. The Cleaning and Dyeing of Plumes, Tips, Fans and Peas is artistic work, our workmen are artists, the result is beautiful. Old feathers made to look like new. Send for pamphlet.
