Ball Bearing SCHOOL DESKS

The Ball Bearing Desk

is a noiseless desk, whose beauty and honesty of construction places it at once above criticism and makes it the desk of all desks. It has its imitators, true, but not its equal.

WE have just been awarded the contract, amounting to \$5,500, for desks for the Toronto Public Schools for 1899, making this the fifth consecutive year we've been awarded the Toronto contract.

Moncton, N.B. School Board has just favored us with an order for 1,100 desks after making enquiries from Inspectors, Superintendents, Teachers and others in Montreal, Toronto, Hamilton, and other cities and towns as to the most favored desk, and receiving replies all favoring the PRESTON DESK.
