## CIRCULAR.

Montreal, June 8th, 1865

Having removed to the more commodious premises (486 & 488 St. Paul street, and 427 Commissioners street), we again, with increased facilities for doing business, offer our services as Commission Merchants, for the sale of Flour, Pork, Butter, Eggs, Ashes, Leather, &c. &c. In doing so, we feel confident that we can offer inducements to consignors surpassed by no other House in the city; we have had many years' experience in the business, we pay strict and personal attention to all consignments, we have an intimate acquaintance with the principal buyers of this and other markets, our premises are admirably located and arranged for a Produce trade, while our financial position is such, that we are not obliged to force sales to meet advances, and when sales are effected, we make remittances with the utmost promptitude.

We make liberal advances upon all descriptions of Produce, and accept Drafts against Bills of Lading to the extent of two-thirds or three-fourths the value of consignments. Cash advances will also be made against consignments to our correspondents in Manchester and Liverpool, and consignors will have the option of having their goods sold here or in either of the abovementioned markets. Our rates of commission will be as low as any House in the trade, and all other charges will be avoided as far as possible.

We have made special arrangements for doing a large Butter business, and, as this has become one of the staple articles of export, and one of the most valuable products of Canada, we beg to offer the following suggestions:—

**PACKING BUTTER.**—Use none but new packages, White Ash preferable; let them be well seasoned and thoroughly cleaned and soaked in brine; mark distinctly the correct dry tare on each package; use fine salt only; pack the butter closely; let the various colors be carefully selected; fill the kegs as full as possible; place a clean linen cloth over the top; carefully tuck it down; then put on a handful of fine salt and a little brine; head up immediately; mark neatly with your own initials and address in full to the Consignee. (A brass stencil-plate is best for marking, if you desire one, by applying to us, we will supply it free of charge.)

**PACKAGES.**—The tinnet holding from 50 to 60 lbs. is most suitable; it suits the retailer, and is preferred by English buyers; they also arrive in better condition; they cannot be rolled like kegs, therefore they are generally much cleaner. Kegs with loose or slip covers are also much sought after, and are always taken in preference to the ordinary keg;—where large packages are used, we would in all cases recommend the slip covers. We would also advise that, as far as possible, packages should be given out to the farmer to be filled by one maker; where this cannot be done, and where packing in the store is unavoidable, the Butter should never be allowed to remain exposed to the damp atmosphere of a cellar, which, perchance, contains every description of Soap, Candles, Oil, Liquors, &c., but it should be packed the earliest opportunity, and, when packed, should be immediately headed up.

It is expected that the demand from England will be very large this season for FINE QUALITIES, for which comparatively higher prices will be paid; but inferior will probably be a greater drug than ever, so that we would advise great care in taking in Butter.

We also pay special attention to the sale of Ashes, and will furnish circulars with directions for manufacturing, &c., on application to us

Hoping to receive a share of consignments,  
We are yours obediently,  
THOS. HOBSON & CO.
